IKEBANA INTERNATIONAL TOKYO FOUNDING CHAPTER

September 2018

Dear TFC Members,

We would like to inform you that the I.I. Fair will be held on Wednesday, December19, 2018 at the Royal Park Hotel (Suitengu). This event prepared by TFC members is very important for our organization. By organizing the Fair we are trying to show that through Ikebana we can connect with people from different countries and organizations. As the Fair event is open to the public at large, it is a good opportunity to promote ikebana and to raise funds for TFC and Charity. This is why we would like to encourage you, TFC members, to participate in different Committees.

We need your hands! **We need your ideas!** **We need your donation!**

We also would like to ask you to purchase extra tickets and Raffle tickets for your friends.

Please kindly fill out the information below and send it to the TFC office by FAX.
Each Committee Chairpersons will contact you soon after receiving your reply.
